ST716 Miami Hooded Sweat is a modern sweatshirt with raglan sleeves.

The fabric (isoli) is brushed on the inside which gives a soft and warm sweatshirt.

The products in the Miami Series are the only sweat series where you see the beautiful and modern heather colors. We have had great success selling these models to the slightly younger target group; therefore it is also available in size XXS.

The hood is in a double-layer fabric, with sewn eyelets and a round string in polyester. There is a knot at the end of the string. If the string is too long, you can cut the string and tie a new knot.

You can also choose to replace the drawstring with another type of string. You can choose from 3 different types of ST116 Sweatstring, ST123 Sweatstring Round or ST122 Sweatstring striped.

The sweatshirt has raglan sleeves which give good freedom of movement.

ST716 Miami Hooded Sweat has a classic kangaroo pocket.

If you want to give the sweatshirt your own unique expression, it is suitable for both printing and embroidery.

The product is LABELFREE and contains only a small size label on the left side of the neck.
