ST716 Miami Hooded Sweat is a modern sweatshirt with raglan sleeves, which helps to provide good freedom of movement.

The sweatshirt has a crew neckline. Neck, sleeves, and bottom are finished with a 2x2 rib with

elastane.

The fabric (isoli) is brushed on the inside which gives a soft and warm sweatshirt.

The products in the Miami Series are the only sweat series where you see the beautiful and modern heather colors. We have had great success selling these models to the slightly younger target group; therefore, it is also available in size XXS.

If you want to give the sweatshirt your own unique expression, it is suitable for both printing and embroidery.

The sweatshirt has a neckband and there is only a small size label on the left side of the neck. In the left side seam, is there a small label with the product name and washing instructions. We call it **BRAND YOURSELF, ALL PRODUCTS WITHOUT LABEL.**
