ST795 Miami Shorts are made in isoli so they match the rest of the Miami Series.

The sweat shorts is with side pockets with metal zippers.

In the waistline there is a waistband in a 2x2 rib with elastane and a wide elastic band inside the rib.

The adjustable drawstring is kept in place in the center of the rib with a stitching on both sides. The drawstring is finished with a knot at the end of the string. If the drawstring is too long, you can cut the string and tie a new knot.

The shorts go to the upper knees and are hemmed with a twin needle stitch.

If you want to give the shorts your own unique expression, it is suitable for both printing and embroidery.

There is only a small size label on the left side of the waistband, and in the left side seam there is a small label with the product name and washing instructions. We call it BRAND YOURSELF, ALL PRODUCTS WITHOUT LABEL.
