ST807 Stretch Polo has a modern cut and material. The material is piqué with elastane, by adding elastane it becomes more flexible. This model has a fitted cut, but the elastane makes it comfortable and it follows your body when you move around.

The polo has a neckband it has the same color as the fabric with a white decoration stitch in the middle. The white polo has a gray decoration stitch. The same ribbon is on the placket and the polo closes with 3 buttons. The collar is adapted to the modern look and is in 1x1 ribs.

The polo has side seams and slits on both sides. On the inside of the slit, you see the same ribbon as in the neck and placket. It also helps to reinforce the slit, as well as there is a bartack that reinforces the top of the slit, the bartack is white, except on the white polo it is gray.

Sleeves and bottoms are hemmed with a double stitch. The shoulder seam is reinforced with a single stitch. The polo is longer on the back piece.

The polo is in good quality and you can refine it with print or embroidery. As well as there is only a small size label on the left side of the neck it creates space for your logo, either with a neck label or neck transfer. We call it Brand Yourself.

If you are looking for a female model that matches the ST807 Stretch Polo we can recommend the ST808 Lady Stretch Polo.

We also offer the same models with long sleeves ST809 Stretch Polo LS and ST810 Lady Stretch Polo LS.
