Are you looking for a quality bag in organic cotton? Then you have come to the right place.

ST2414 Model B LH in the color Nature and Black is available in two versions one in organic cotton (look for the cotton flower logo) and one in conventional cotton.

The bags in organic cotton has a small flag label on top in one of the sides.

ST2414 Model B LH is a bag in thick/strong canvas, it is perfect for a folder or in stores as a carrying bag. It has a long handle so you can carry the bag over your shoulder.

Canvas bags are increasingly carried in the streets, they are more environmentally friendly than plastic bags. If you carry a canvas bag, it sends a signal that you are making a deliberate choice about the environment and the environmental problem. Canvas bags can be used again and again and last for many years.

You can easily brand the bag as your own, it is suitable for transfer, printing, and embroidery. With your unique design, the bag becomes completely your own and it is displayed every time the environmentally-conscious consumer is out shopping.
