

ST2302 Café apron

240 g/m²

- Quality: 50% CVC cotton and 50% polyester
- Weight: 240 g/m²
- Box: 100 pcs.

Short cafe apron with tie and pocket. Iron-free and sanforised, which means that the fabric must not shrink by more than 1% and does not curl when properly washed and dried.

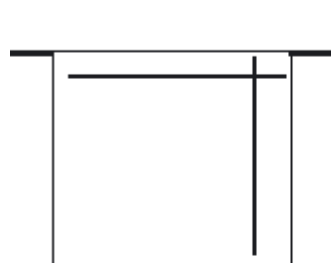

The product is LABELFREE, ie. that there is just a small care label on the side of the apron.
