ST513 Shape Tee SL is a sleeveless t-shirt with crew neck. It is made in one of our favorite materials 92% organic cotton 8% elastane.

The elastane helps to provide a uniform surface and elasticity to the product. You will find that products with elastane, more easily follow the body's movements than products in 100% cotton.

If you are already familiar with ST313 Shape Tee, you will experience the same good fit and material in ST513 Shape Tee SL.

Neckline, armhole, and bottom have a 1.5 cm hem and stitched with a 4 mm twin needle stitch.

ST513 Shape Tee SL has side seams.

On the left side of the neck, there is only a small size label, and in the left side seam, there is a small label with the product name and washing instructions. We call it BRAND YOURSELF, ALL PRODUCTS WITHOUT LABEL.
