The Danish authorities demand that people wear face masks in public in Denmark. There is no requirement for them to be CE approved or medical. Read our face mask guide [click here](#).

We can now offer 2-layer reusable fabric face masks, which can be washed at 60°C

- Inner layer: Single Jersey 100% cotton
- Outer layer: Isoli, 65% cotton / 35% polyester
- Adjustable straps for the ears.
- Washable at 60 ° C
- Suitable for printing
- Not for medical use
- Not personal protective equipment
- We recommend that you wash the mask before use

The mask is round over the nose and mouth to provide a spacious fit. It ends under the chin and fits well on both large and small faces.

The piping is finished with mesh edging which is soft against the skin. The edging continues and becomes ear straps.

The ear straps go through a little loop, and you can adjust the ear straps by pulling it through the loop.
